Dear CCM Church Partner,

Over the past year, we have been evaluating our Stewardship Program to better support clients that need financial support. 35 -60% of our clients require some amount of funding support and we expect that percentage to be steady or even increase in the coming year. Our Stewardship Program is funded solely by donations.

We appreciate you considering supporting us by becoming a Church Partner. We are asking each of our partners to make an annual donation to CCM. This donation will be used to support the Stewardship Program at CCM. We are not specifying the amount of the donation and are asking that you prayerfully consider your support. Partners that can provide a donation will be eligible for the following:

1. Reduced rates for parishioners recommended to CCM (See rates in the application).
2. Access to our Newsletter to keep you up-to-date on the happenings at CCM.
3. Reduced rates for our group-based services such as counseling and support groups; trainings; consultation; and workshops.
4. Advertisement on our social media pages to showcase the happenings at your church.

To take the first step towards partnership with CCM we are asking you to complete our enclosed Partnership Application. In the application, please define your annual donation amount and return it with the application or if you prefer to donate monthly, communicate your monthly donation amount. Monthly donations can be mailed to us or paid via PayPal.

Over the years, we have worked hard to find a way to minimize any rate increases to the least possible amount while still achieving our goals to deliver wholistic care. Your donation, through partnering with us, helps us to reduce rate increases annually. CCM is dedicated to offering exceptional counseling services from our professionally and clinically trained counselors.

We greatly appreciate your continued support and encouragement as we continue to grow and serve our communities. We will be reaching out to each of our partners to go through the new partnership model in detail. In the meantime, if you have any further questions or concerns regarding the rate increase, please feel free to contact our office.

Grace and Peace,

Dr. Marcie Rolle, Phd, LPC, NCC
